6th Grade Orientation

All 5th graders from Eastbrook North and Eastbrook South will be coming to the middle school on Monday, May 6th, for 6th-grade orientation from 9:00-12:00. Students will learn some general information about what middle school is like, eat lunch, and take a tour. We are looking forward to meeting our incoming class of 2031!

As we are approaching the end of the school year, I want to take a moment to reflect. First, thank you for entrusting your students with us this school year. We have had an excellent school year, and we appreciate the hard work of both our students and staff. We do ask for your continued support and that you please assist your students in staying focused and putting forth their best efforts at school throughout the remainder of the school year.

We are wrapping up the administration of our ILEARN testing with just some makeup tests remaining. Thank you for your efforts to assist your students in being well-rested and present for the tests.

The week of May 6-10, 2024, is Teacher Appreciation Week. I encourage you to take a moment to show your appreciation to our teachers and staff who provide unwavering efforts and support in the education of our students.

Students will have exams from May 21-23, 2024. Students will turn in their school Chromebooks and chargers on May 23, 2024, following their last exam. Then, we will conclude the school year with special activities that afternoon. Sixth grade students will have a field day; seventh grade students will be going on a field trip to Idyl Wyld for a skating party; eighth grade students will be going on a field trip to Crest Lanes for bowling.

This should be an exciting end to the school year!

I trust that the memories that you have from this year will inspire and motivate you to achieve even more in the future. I hope that you will have a safe and relaxing summer along with finding enriching activities with family and friends.

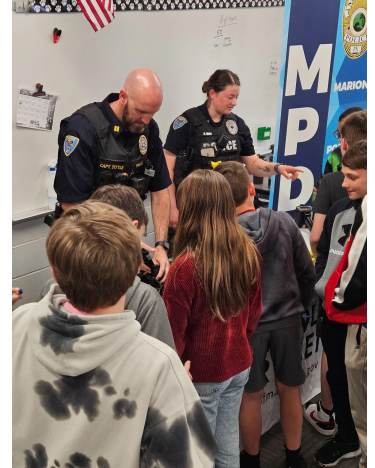

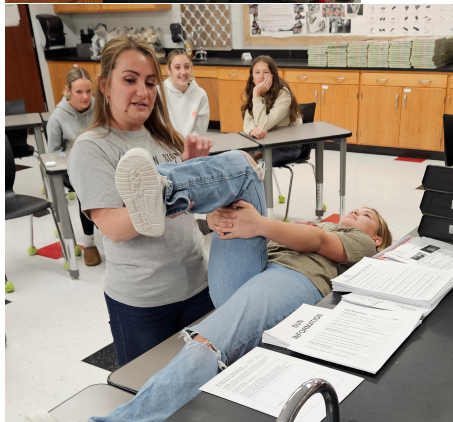

Mrs. Duckwall

Counselor's Corner

All middle school students had a great career and math day on April 10th. We want to extend our heartfelt thanks to those who gave their time to share their careers with our students. Thank you to:

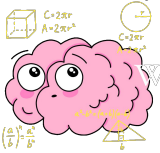

Marc Lobdell, Cobbler
Veronica Tittle, Physical Therapy Assistant
Amy Beebe, Farmer
Kim Whitehurst, Probation Officer
Deputy Chief Chris Butche, Marion Police Department
Captain Drew Tittle, Marion Police Department
Officer Katy Wise, Marion Police Department

Eastbrook 6th Graders Begin Cumulative Review

Remember back in Chapter 7 when we were solving equations? The 6th graders don't either! Both the red and black teams are going all the way back to the beginning of the semester to start reviewing. Each day students are led through word problems and practice problems to practice for the final exam. The second half of class is used for chapter reviews:

Chapter 7 - Equations
Chapter 8 - Functions and Inequalities
Chapter 9 - Area

Chapter 10 - Volume and Surface Area
Chapter 11 - Statistical Measures
Chapter 12 - Statistical Displays

6th/7th/8th GRADE CHOIRS

Our final concert/awards night will be on Wednesday, May 15th @ 7PM. It is pop-themed, so every song we are singing is from 2010 to the present. The middle school choirs will be singing songs from Billie Eilish, Panic! At The Disco, BTS, Dua Lipa, Lewis Capaldi, and more. Reminder, admission is \$3 for adults, \$1 for students, and kids 5 and under are free.

Thank you for supporting Eastbrook Choirs!
Mrs. DeLong
