## January 2022

### Announcements

- Martin Luther King, Jr. Day is considered a Flex Day. If there are no snow days between now and that day, we will not have school that day. If we have a snow day before that date, we will use it as a makeup day.
- Phase 1 of construction at ESE will be completed this month. Therefore, we will be shifting some classrooms to their new rooms and some will go to other rooms during construction. We will be doing our best to continue to meet the needs of our students during these unique transitions. We are excited about how wonderful the building will be when all the work is done.

### January

4:00 - 5:30pm  
(Free Groceries)  
PTO Mtg @ 7pm

### A Note from Mrs. Dalton

### **SPECIAL MOMENTS**

*I am excited for a new year as we return from Christmas break. However, I have some mixed emotions about 2022. It is now the year in which my youngest son graduates. I am amazed at how time flies. Times like these remind me to never take each other for granted or the moments we can share together.*

*Each day is an opportunity here at Eastbrook South to create special moments for our students. May we work together to make sure this is the best semester yet. Thank you for teaming up with us here at South. We are excited to create more special moments together.*
