PRINCIPAL MESSAGE

Snowflakes

One of my favorite things about snowflakes is that there are not two alike. Each snowflake is unique. Uniqueness is something I also enjoy about each student and team member here at Eastbrook South. Let's celebrate how each unique person in our lives works together to make a beautiful landscape of life, just as the snow covers our landscape at this time of year.

ANNOUNCEMENTS

- Procedures Practice** - Halfway through the year would be a great time to review the procedures slides:

- All Pro Dad Outing** - The All Pro Dads and students are invited to a double header night of basketball games at Eastbrook High School on January 27. We would love to have as many South teammates there if you are available to join us. It will be a fun night of cheering on our Panthers.
