RE: 2023-2024 School Year Information
DATE: August 11, 2023

The Eastbrook Community Schools would like to welcome you and your family “Back to School”. The staff at each of our four schools has been working hard to prepare for the start of the 2023-2024 school year. Each of our schools is committed to providing the very best education that we can for your child, and we are honored that you have put your trust in us.

As we look ahead to a successful and productive school year, we would like to emphasize a few key concepts that should foster a wonderful partnership between you, your child, and our schools. First of all, parents, we need your help and ask for the following from you:

- Children are ready to learn when they enter our schools by getting plenty of rest and nourishment daily
- Children are ready for each school day by having all of their school supplies and completed homework when they enter their classrooms daily
- Children have a proper attitude towards their school, classmates and school staff

Parents/guardians, your influence cannot be overstated. In fact, you are the greatest factor in determining whether your child has a successful school year or not.

Additionally, this partnership can only be successful if our schools fulfill their duties and responsibilities. Each parent should expect the following from their schools:

- Staff members have a vision for learning and properly plan, teach and assess your child daily
- Staff members communicate with you on a regular basis about your child’s progress, behaviorally and academically
- Staff members provide resources and opportunities for you to support your child

Finally, inevitably, there will be instances where there may be misunderstandings or differences of opinions with your school. We would ask that you remain supportive in front of your child. It is imperative that you contact your school to discuss the matter privately and civilly so that a collaborative solution is determined.

Again, thank you for trusting us with your child’s education, and we look forward to a wonderful school year together.
