RE: Update School Entry Times
DATE: August 15, 2023

The Eastbrook Community Schools has been evaluating the current entry times for students at our elementary schools and secondary schools since the beginning of this school year. The reason for this is due to the increased offerings at Eastbrook Middle School and Eastbrook High School that have necessitated a new start time of 8:05 AM for our secondary students. One of the unintended consequences is for students who are coming from our elementary schools either through picking up the bus or as a car rider are finding it challenging to be ready for class by the 8:05 AM tardy bell.

Therefore, ***starting Monday, August 21, 2023***, all students will be able to enter both of our elementary schools, Eastbrook South Elementary and Eastbrook North Elementary via our school buses or as car riders at ***7:40 AM***. Secondary entry times will remain the same which is ***7:50 AM***. Hopefully, these adjusted schedules will benefit our students and prevent unnecessary tardies.

Thank you very much for your patience, support and understanding as we attempt to do our very best to provide a wonderful learning experience for our students.
